ITA Una casa per due vite che si incontrano, mantenendo un'identità e dei ritmi completamente diversi. ITA Mi siedo sul tappetino, chiudo gli occhi e inspiro lentamente. La mattinata è stata dura, ore e ore in giro a consegnare lettere e pacchi, anche se devo dire che questo lavoro mi piace, incontro le persone più diverse, a volte stranissime... ma sto perdendo la concentrazione, devo prepararmi per la lezione di yoga. ITA Interno giorno, è mattina e una giovane donna si sveglia... no, non è uno dei miei film preferiti: questa è la mia vita. Mi aspetta un'altra giornata piena di impegni, sono già in ritardo. Ieri ho fatto le ore piccole a leggere "Il Cinema secondo Hitchcock", ma non riuscivo a staccarmi dalle pagine. Voi direte, dove li metto tutti i miei libri e dvd? Semplice: anche se vivo in un mini, mi sono organizzata un ambiente su misura per me. Adesso però devo correre: il film della mia vita non si ferma.

ITA Molti ci chiedono, cosa hanno in comune una romantica bibliotecaria e un fisioterapista sportivo? A volte ce lo domandiamo anche noi e ci facciamo una risata. Io amo i ritmi di vita tranquilli, le atmosfere un po' sognanti, la natura... lui invece è sempre in giro per il mondo: adesso segue una squadra di ciclisti. L'importante però è trovare il giusto equilibrio e dare spazio a ognuno: questo è quello che in un rapporto, come in una casa, fa la differenza.

ITA Lo ammetto, sono un single impenitente, anche un po' maniacale nel mio modo di essere. Ad esempio ho una passione irrefrenabile per il grigio: secondo me è la tonalità perfetta, altro che noioso o triste, ha un potenziale di stile fantastico. Mi piace sperimentare con tutte le sue nuance: è elegante, sofisticato, non stanca mai e si presta a infiniti abbinamenti... anche se magari un giorno, chissà, cambierò completamente stile e tonalità, nell'arredamento come nel modo di vestire.

ITA Titolo: "Dove ti piacerebbe viaggiare e perché?" Ecco qui un'altra pila di compiti da correggere. Fare l'insegnante di lettere è sempre stato il mio sogno... ma qualche volta, lo ammetto, mi viene da sbuffare un po', come una ragazzina che non vuole fare i compiti. Poi mi metto comoda alla scrivania e inizio a lavorare: gli ho promesso che glieli porto per domani. Certo che i miei ragazzi sono fantastici: uno vuole andare in Islanda, l'altra in India... e anche io quest'estate mi regalerò un viaggio negli States.

ENG Title: "Where would you like to travel and why?" Here's another stack of papers to revise. Being a literature teacher has always been my dream... but sometimes, I admit, I get a little snorty, like a little girl who doesn't want to do her homework. Then I get comfortable at my desk and start working: I promised to get it done by tomorrow. Of course my kids are great: one wants to go to Iceland, the other to India... and I'm going to treat myself with a trip to the States this summer too.

ITA Quando vengo qui su in collina, nella vecchia casa dei miei, mi sembra di ritornare bambino. Pace, silenzio e una grande stanza con due letti a scomparsa oltre il mio. Così posso invitare i miei compagni di squadra, per sfogare la nostra grande passione: il karate. Di giorno allenamento di kata in giardino, poi la sera continuiamo anche in camera: le gare si avvicinano, ma in realtà è solo una scusa per passare un fine settimana da veri fanatici di arti marziali. Che trio di assurdi che siamo!

That's how I can invite my teammates over, to vent our great passion: karate. ITA Ho scelto un lavoro senza orari, perché non sopporterei mai di restare chiusa in un ufficio otto ore al giorno. Eppure tutte le mie amiche dicono che sono una persona ordinata e metodica: anche nel modo in cui ho arredato il mio appartamento. In realtà mi piace organizzare gli spazi, trovare delle soluzioni nuove, giocare con le forme, i colori, le sensazioni. ITA Finalmente eccomi ritornato a casa. Quasi quasi mi dimenticavo come era fatta: sono arrivato alla tesi del dottorato di ricerca e praticamente in questi anni ho vissuto fra il laboratorio, l'università e i viaggi all'estero. Non è il momento di mollare: il traguardo è vicino. Questa sera però mi prendo un po' di pausa per ricaricare le energie. Uno spuntino con il microonde, un'oretta davanti a un film e poi una bella notte di sonno: domani sarò come nuovo e... pronto a ripartire.

Now is not the time to give up: the finish line is near. This evening, however, I am taking a break to recharge my batteries. A microwave snack, an hour or so in front of a movie and then a good night's sleep: tomorrow I'll be as good as new and... ready to take off again.

ITA A casa dei nonni c'è sempre un posto speciale per noi due. Una stanza fantastica, sembra quasi un appartamento: letti comodi, armadi con tutte le nostre cose e anche uno scrittoio per mia sorella, che non riesce proprio a stare lontana dai libri di scuola, nemmeno il fine settimana. Io preferisco esercitarmi con la scherma: basta sollevare i letti per fare spazio. Il nonno dice che sono un diavolo scatenato, ma poi mi insegna qualche tecnica: da giovane era campione regionale di fioretto.

ITA I miei amici mi dicono che sono un tipo un po' strano, perché come regalo dopo la maturità, ho chiesto ai miei di scegliere insieme una camera nuova.
