

# START

**CLEVER** BY HOMES

DAL 1993 CLEVER PROGETTA E REALIZZA SOLUZIONI PER LA ZONA NOTTE DEI BAMBINI E DEI GIOVANI. UNA SFIDA CONTINUA E APPASSIONANTE, ALLA QUALE L'AZIENDA DEDICA TUTTA LA SUA RICERCA FORMALE E TECNOLOGICA, ANALIZZANDO GLI SPAZI DOMESTICI E I NUOVI STILI DI VITA. DA QUESTA ESPERIENZA NASCE START: UN SISTEMA COMPONIBILE E TRASFORMABILE DI LETTI, GUARDAROBA, CABINE ARMADIO, LIBRERIE, SCRIVANIE, COMPLEMENTI E SOLUZIONI SALVASPAZIO CHE PRENDONO FORMA DALLA SPECIALIZZAZIONE DI CLEVER IN QUESTO SETTORE E DA UN PROCESSO PRODUTTIVO DI QUALITÀ TOTALE.

Since 1993 Clever has been designing and manufacturing solutions for children's and young people's sleeping areas. A continuous and exciting challenge, to which the company dedicates all its formal and technological research, analysing domestic spaces and new lifestyles. Start is the result of this experience: a modular and transformable system of beds, wardrobes, walk-in wardrobes, bookcases, desks, complements and space-saving solutions that take shape from Clever's specialisation in this sector and from a total quality production process.

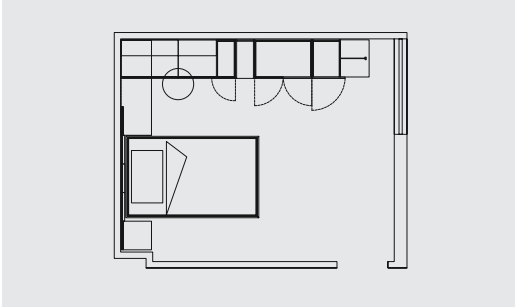

The wide choice of finishes and colours, together with the possibility of custom-made products, allows to customize each solution, tuning it to any interior scenario and personal taste. All this with the utmost attention to wellbeing and sustainability, thanks to the use of non-toxic materials and ecological panels that preserve the planet's forest heritage: for this reason too, choosing Start means thinking about the future of new generations.

LA VASTISSIMA SCELTA DI FINITURE E COLORI, INSIEME ALLA POSSIBILITÀ DI REALIZZAZIONI SU MISURA, CONSENTE DI PERSONALIZZARE OGNI SOLUZIONE, SINTONIZZANDOSI CON OGNI SCENARIO D'INTERNI E GUSTO PERSONALE. TUTTO QUESTO CON LA MASSIMA ATTENZIONE AL BENESSERE E ALLA SOSTENIBILITÀ, GRAZIE ALL'UTILIZZO DI MATERIALI ATOSSICI E PANNELLI ECOLOGICI CHE PRESERVANO IL PATRIMONIO FORESTALE DEL PIANETA: ANCHE PER QUESTO, SCEGLIERE START SIGNIFICA PENSARE AL FUTURO DELLE NUOVE GENERAZIONI.
